

Haegg Family Music Award

Committee Chairman-Cathy Pflieger

The Haegg Family Award was established September 1, 2008, by the Haegg family in memory of Margaret "Peg" Haegg. The Haegg Family Award continues to be funded by generous donations from the Haegg, Halpin, and Munsell family members. The purpose of this special scholarship is to encourage financially disadvantaged students grades 7-8 to study music with a private teacher for a period of up to three years. Students who apply for this scholarship are informed about this program by their middle school music program. Students that are selected must be highly recommended by their middle school music teacher.

Each student must go through an application process which includes, student financial need, a written essay and an audition. This program is one of our most rewarding endeavors as it has clearly changed the lives of the awardees.

Sansom Foundation Music Award

Committee Chairman, Lauren Pardee

The Sansom Foundation is a private foundation that has been in operation since 1959. Their focus is on music and the arts. The Foundation awarded a grant to the MFGN to enable financially disadvantaged talented high school musicians to be able to take private music lessons. The program is very similar to the Haegg Family Music Award in regards to the requirements of applying for the award. This award would not be possible without the generosity of Frank Buscaglia, Chairman of the Sansom Board, and our Sansom sponsor, Richard Barrette, a member of the Board.

Schools Participating

Middle Schools - Manatee, Oakridge, Golden Gate, Three Oaks

High Schools - Barron Collier, Golden Gate, Gulf Coast, Lely, Naples, Palmetto Ridge

If you would like to learn more about MFGN, be a volunteer, member, or donate to one of these programs, please visit our website at:
