

THE SANSOM FOUNDATION MUSIC AWARD

RULES AND REGULATIONS 2023

The Sansom Foundation has been in operation since 1958. The Foundation focuses on music and the arts. High school students from Collier County, Bonita Springs and Estero will be eligible to compete for the Sansom Award. The Award will permit the winners to receive private music lessons for one year with a teacher selected by the Music Foundation of Greater Naples. The award may be renewed one year at a time based on the Sansom Committee's assessment of the student's progress and the recommendation of his or her private teacher.

The award is intended for high school students whose families cannot afford private music lessons. However, private lessons in the past will not eliminate the candidate as long as they can attest that they are on the "Free and Reduced Lunch Program" or their family income is less than \$75,000 per year. Students must complete the attached application, and have it signed by a parent and music instructor. In addition to the application a personal essay about what "Music means to them and how they expect the Sansom Award will benefit them" must also be submitted. Students' are required to participate in an audition that is scheduled for September 9, 2023. The audition solo should not exceed 4 minutes. No accompaniment is required. You can play/sing a short solo of your choice or a piece of music that you are presently working on in your school music ensemble.

The application, recommendation letter, and essay are due by September 1, 2023.

The Sansom Committee will select applicants to be interviewed based upon their application, recommendation letter, essay, and their audition. We expect that 4-6 awards per year will be made depending upon the number of highly qualified applicants. Selection of private music instructors will be determined by the Sansom Committee.

Winners of the Sansom Award will be notified no later than September 15, 2023. Lessons will begin late September or early October. Parents must be willing to assure that if their children are winners, they will be able to transport the student to lessons and provide a quiet time for the student to practice daily. There will be two recitals during the year and the students are required to perform in both.

Recitals are scheduled for January 7, 2024, and June 2, 2024, at 3:00PM.

See the next two pages for requirements checklist and application.
