—Naples Music Club's stagehand, Cam Grundeman

MUSIC CLUB

44th Annual Scholarship Winners' Recital

Saturday, April 26, 2014

2:00 p.m.

First United Methodist Church
388 1st Avenue South, Naples

The Mission of the Naples Music Club is to support music education and performance, to provide scholarships, and to engage in collaborative outreach efforts within Naples and its neighboring communities.

Program Awards

Haegg Family Award – The Haegg family award was created in 2009 in memory of Margaret “Peg” Haegg by her husband Henry Haegg and her children. It provides the winner with a private teacher for a period of one year. An essay, letters of recommendation, and an audition are required by eligible students who have never had private music lessons. This award has a strong needs-based component.

Naples Opera Society Award – This award is funded by the Naples Opera Society to recognize the talent of outstanding singers and to stimulate their continued interest in singing.

Bert G. Phillips Award – This annual award is funded by Classic Chamber Concerts. It honors Bert Phillips, an outstanding cellist who contributed as a teacher and a performer in Naples and throughout the world. He was co-founder of the Classic Chamber Concert series as well as the Luzerne Music Center. The award is made to the first place winner in either the junior or senior string competition.

Clifford L. Saby Award – Clifford Saby established the Clifford L. Saby Scholarship Fund in 1996 to provide scholarships for Collier County youth. His gifts enabled the Club to augment its scholarship awards and support the purchase of musical instruments in the public schools.

Turiel Award – This award was established in 1995 by Mr. & Mrs. Samuel Turiel, in memory of their son, Daniel, clarinetist, composer and conductor. It is presented to a 12th grader based upon competition score, music achievement, scholastic grade point average, an essay, a personal interview, and a recital performance.

Phyllis S. Warren Piano Award – This award honors the memory of Phyllis Warren who co-chaired the Scholarship Competition for ten years and was a founding member of the Crescendos piano group. The award is made to the first place senior piano winner. It was established by her children, Richard Warren and Priscilla Grannis.

Outreach Programs

The Club's commitment to financially disadvantaged students has grown rapidly and we expect to spend over \$30,000 in this area in 2013-2014. We will more than double that next year. This growth has been enabled by the generous support of our donors and grants from the Collier County Community Foundation, the Naples Children and Education Foundation, and Champions for Learning.

MusicScores! Pre-K Literacy/Violin Program

210 four-year old children received literacy-based violin lessons this year. The children benefit from the development of aural skills, pre-reading skills, fine motor skills, improved memory and self-discipline. A Naples Children and Education Foundation grant will allow the program to expand to three additional sites next year. A statistician is working with us to document the impact. The preliminary results are exciting!

Middle School Band and Orchestra Master Classes

Second and third year middle-school students who have never studied privately are nominated by their school music teacher to participate in five, ninety-minute lessons. These small group lessons (3-6 students) are taught by professional musicians. Fifty-seven young people benefitted from these lessons this year.

Haegg Program

Eight students selected for the Haegg Encouragement Award received private lessons this year. All progressed significantly and many achieved musical honors. The early impact of this program has been substantial. It is transforming the lives of the participants.

Class Piano Lessons

Four schools (one middle and three elementary) provide keyboard lessons twice a week in their after school program. The lessons are 30 minutes and, depending on the center, up to 28 students may be enrolled at each site.

Guitar Teacher In-Service

The Naples Music Club, FGCU, and Collier County Public Schools staff concluded that teachers who have been assigned to teach a class outside their area of music expertise need assistance. In the first effort, eleven teachers attended a half-day in-service led by the FGCU Guitar Methods instructor. Teachers will be able to use Skype to obtain additional support as they try the new strategies in their schools.

Naples Music Club History

The Naples Music Club was founded in 1965 by Tom and Grace Truesdale. Monthly musical programs were presented as a public service beginning in 1966, the year the Club also originated a 90-minute radio program of classical music broadcast over radio station WNFM. During the ensuing years, the Club presented a series of musical programs, led a successful effort to enlarge the string curriculum in the public schools in 1979 and 1993, and worked to improve the musical skills of Immokalee High School music students beginning in 1999.

The Club's Scholarship Program began in 1970 with one small grant awarded to a Collier County student, Anita Boqvist, for summer study. Since then, our Annual Scholarship Competition has provided almost 800 middle and high school students with nearly \$550,000 in scholarship aid.

A desire to provide performance opportunities, informal and in concert, led to the creation of performance groups in 1979. There are now three piano performance groups and two chamber music performance groups that get together once a month to share music and fellowship. One outgrowth of this program is Music à la Carte, established in 2009, in which members of the Club and some of the scholarship recipients provide concerts in private homes to raise money for the organization. Opportunities for students to gain self-confidence, to practice good performance habits, and to enhance their listening skills were created in 2008 when an organized program of student recitals was initiated.

A significant expansion of the Club's outreach programs occurred in 2008 when the vision of Karen Marcotte and the generosity of the Haegg family led to the funding of private lessons for economically needy students who had never studied privately. In 2010, the club made a major commitment to the support of a pre-K literacy program created by Judy Evans that utilized the violin and to assume responsibility for the Middle School Master Class Program for small group instruction—a program that is very synergistic with the Haegg Awards. A wonderful gift from the Fernando Family in 2012 in memory of Laura Manhil Fernando, a talented pianist, enabled the creation of an after-school piano program in Title 1 schools (schools that draw students from economically disadvantaged families).

The organization continues to live by its mission to support music education and performance, to provide scholarships, and to engage in collaborative outreach efforts within Naples and its neighboring communities. The Club hosts numerous concerts annually and is always looking for ways to enable more people to benefit from its programs. The organization has no paid staff; as a result, 100% of donations are committed to the accomplishment of its mission.
